

HOLY GHOST DELIVERANCE FIRE MINISTRY INT.

Sunday Sermon

Topic: Choose the Best That Works for You in Life

Key Scripture: Deuteronomy 7:8

Life is full of choices, and the decisions we make determine the direction of our lives. God has given each person a unique purpose and destiny. Therefore, what works for one person may not necessarily work for another. We should seek God's direction instead of comparing ourselves with others or following the crowd.

The Lord desires His children to listen to His voice and obey His instructions. When we walk according to His will, He blesses us and makes us a blessing to others. Jesus also reminds us to "watch and pray" so that we remain spiritually alert and prepared for what God has planned for us.

How to Choose What Works for You

1. Be Yourself

God created every individual with a unique purpose. Avoid comparing yourself with others or copying their journey. Instead, discover God's plan for your life and walk confidently in it. What works for someone else may not be God's plan for you.

2. Stay Committed to What God Has Chosen for You

When you discover what God has called you to do, remain faithful and committed. The path may begin with challenges or humble beginnings, but God's promises are sure.

Do not abandon your God-given assignment because it seems small. The Bible teaches that faithful beginnings often lead to great endings.

God's Protection

God may allow you to pass through difficult situations to strengthen your faith and character, but He will never allow those trials to destroy you. He is your Protector and Preserver, and He will sustain you through every season of life.

Reflection

Ask yourself:

What have I chosen that is working for my life?

Am I following God's purpose or merely following other people?

Am I willing to remain faithful even when the beginning seems small?

When you discover what God has ordained for you, remain steadfast. Trust Him, stay focused, and continue moving forward. Your beginning may be small, but with God, your future will be greater than your past.

Closing Prayer

Heavenly Father, thank You for the purpose You have prepared for my life. Help me to hear Your voice, make wise decisions, and remain faithful to the path You have chosen for me. Give me the grace to stay focused, trust Your timing, and walk confidently in my divine destiny. In Jesus' name, Amen.
